

10th Anniversary Ale

WHITE LABS BREWING CO.

SPLIT BATCH | SAME BEER DIFFERENT YEAST STRAINS

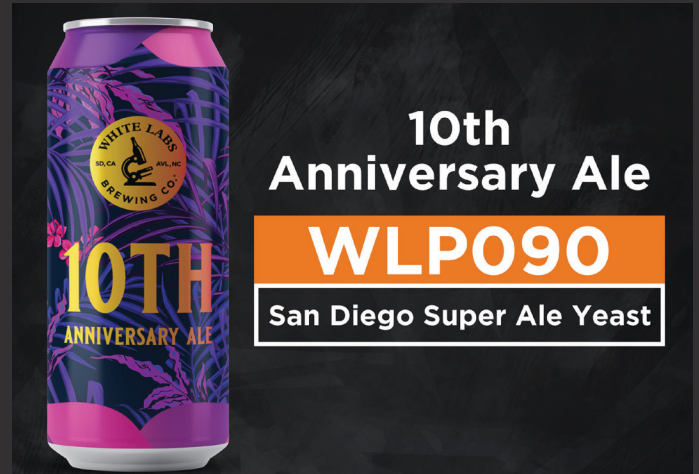

A new yeast blend and a new beer to celebrate 10 years of White Labs Brewing Co! White Labs Brewing Co. has been an integral part of our company, acting as a conduit for R&D to gain analytical and performance information on our yeast strains' performance in beers while also continuously making crowd favorite beers and styles. Raise your glass to science and delicious beer!

10th Anniversary Ale

WLP077

Tropicale Yeast Blend

10th Anniversary Ale

WLP090

San Diego Super Ale Yeast

This yeast blend has been carefully selected to aid in the release of bound thiol compounds by targeting naturally-occurring strains possessing high B-lyase activity. Providing a balance of tropical flavors and aromas, such as passionfruit, grapefruit, and mango, that's perfect for a juicy, hazy IPA!

TASTING NOTES:

Passionfruit | Peach | Vanilla

PAIRINGS:

Hot Chicken | Hawaiian Pizza

STATS	
ABV(%):	7.5
IBU(BU):	66.5
SRM:	18.5
OG/Plato:	1.069/16.9P
FG/Plato:	1.009/2.2P
Gluten (ppm):	< 20

ABV (alcohol by volume)
IBU (international bitterness units)
OG (original gravity)
FG (final gravity)

San Diego Super Ale Yeast is known for producing clean fermentations accentuating characters from hops and malt. This beer is no exception with a clean bitterness and underlying fruit-like hoppy character

TASTING NOTES:

Resin | Peach | Pine

PAIRINGS:

Chicharron | Bianca Funghi

STATS	
ABV(%):	7.5
IBU(BU):	68.0
SRM:	20.8
OG/Plato:	1.069/16.9P
FG/Plato:	1.008/2.1P
Gluten (ppm):	< 20
